CERTIFICATE OF INTERNSHIP COMPLETION

This is to proudly certify that

Preksha Jain

*has successfully completed an internship as a **Software Engineer** at **Mednex Research Solutions***

*from **1 December 2025** to **31 March 2026***

Performance & Feedback

Throughout the internship period, Preksha demonstrated exceptional technical acumen and a proactive work ethic that set her apart. she contributed meaningfully to the software development lifecycle, writing clean, maintainable code and taking ownership of assigned modules with minimal supervision. Her ability to quickly grasp complex systems, adapt to evolving requirements, and deliver high-quality outputs ahead of schedule was commendable.

Preksha collaborated effectively with cross-functional team members, communicated progress transparently, and consistently contributed constructive ideas during technical discussions. Her dedication to problem-solving and willingness to go beyond the scope of assigned tasks reflected a strong engineering mindset and professional maturity well beyond her experience level.

We wish Preksha the very best in all her future endeavors and are confident she will excel in any engineering role she pursues.
